PETALING JAYA: The Real Madrid Foundation Clinic is set to make a return in Malaysia and will be held from June 11-17 at the International School of Kuala Lumpur (ISKL).

Marginalized kids between the age of 5 and 17 years old will have the opportunity to participate in the exciting football clinic.

Spokesperson for the Real Madrid Foundation Clinic Malaysia, Dr. V Nathan, said the event set to be another success.

"The overwhelming response to our first clinic was truly heart-warming," said Nathan.

"In response to the tremendous demand, we are ecstatic to unveil the return of this extraordinary program, offering not just skill development but also empowerment opportunities for 40 marginalized children.

"It's a chance for these young Malaysian footballers to shine bright and reach for the stars!" he added.

The two clinics over one-week will be conducted by the foundation's highly qualified coaches from Spain.
